SAACURH
Director Bid

N o F r i l l s 2 0 0 6

Dear SAACURH NCCs and NRHH Representatives:

It is indeed an extraordinary pleasure that I formally submit my bid for the South Atlantic Affiliate of College and University Residence Halls (SAACURH) Director position. I want to take this opportunity to thank you for taking time out of your busy schedules to first attend the annual SAACURH No Frills Conference as well as read through what I am sure are some awesome bids. Throughout my bid, you will find all of the necessary information that will confirm my credentials to be the next SAACURH Director.

After a lot of thought, I chose *Lights, Camera, Action!* as the theme of my bid. SAACURH is at very crucial time right now. Year in and year out, our member institutions constantly shine when it comes to programming, as well as representing our schools, our states, and our region. We are on that cusp of doing some extraordinary things and it is my hope that we get an opportunity to do it together.

Over the past year, I have had the opportunity of holding three very special positions: Residence Hall Association president at Mississippi State University, Director of the Mississippi Association of Residence Hall Students (MARHS), as well as SAACURH President's Summit Coordinator. By holding these positions, I feel I have gained a wealth of lifelong friends, immense leadership experiences, and a greater commitment to residence hall students.

As the region grows through new member institutions and NRHH chapters over the next year, it is my sincere hope that TEAM SAACURH can do it all together—NCCs, NRHH Representatives, RHA Presidents and the SAACURH Executive Committee. There is one quote that I think will define next year's SAACURH: *"Teamwork is the ability to work together toward a common vision. The ability to direct individual accomplishments toward organizational objectives. It is the fuel that allows common people to obtain UNCOMMON RESULTS."*

Again, I truly thank you for taking time out to read through this bid. If I can be of any assistance to you before the No Frills Conference, please feel free to contact me via phone, e-mail, AIM, or on Facebook.
