Main Motion D

ADA Compliance Conference Add-on Fee

Recognizing that NACURH requires each region to have an ADA Compliance Fund for regional conferences of no less than \$10,000, and

Recognizing that NACURH requires a conference add-on fee to build this fund,

Therefore, let the Section III of the Policy Book state

ADA Compliance Conference Add-On Fee

The ADA Compliance Conference Add-on Fee is put into the ADA Compliance Fund. This fund may be used to assure that all SAACURH conferences are compliant with the Americans with Disabilities Act (ADA). Though it is primarily the conference host's responsibility to maintain ADA compliance, the fund may be used on a contingency basis to make SAACURH conferences ADA compliant. This fund is maintained by the SEC in conjunction with conference staff, though the SEC shall have full discretion over the account.

The ADA Compliance Conference Add-on Fee shall be set by the SEC but may be no smaller than three (3) dollars and no larger than ten (10) dollars. The ADA Compliance Conference Add-on Fee may be increased above ten (10) dollars for any individual conference with a 2/3rds approval of the NCCs at the previous conference.

Two (2) values shall be set to designate how funds are accumulated.

The first is the value where the dedicated Add-on Fee must be used:

- A. Should the ADA Compliance Fund reach \$12,000, the SEC may choose to no longer charge the Add-on Fee.
- B. If the ADA Compliance Fund drops below \$10,000, the SEC must reinstate the Add-on Fee.

The second is the amount where the region, in addition to the Add-on Fee, must contribute 25% of any conference excess to the ADA Compliance Fund. 25% of any conference excess must be contributed to the ADA Compliance Fund until the ADA Compliance Fund exceeds \$3,000.

Additional funds may be added to the ADA Compliance Fund as long as they continue to comply with the above policy.

The ADA Compliance Conference Add-on Fee is due to the SEC at the close of each conference that it is in use and will be added to the Region's ADA Compliance Fund.
