Main Motion E

Policy Regarding the Regional Conference Host Selection

Whereas, the policy to select a conference when a host is not selected at SAACURH was written before the proliferation of e-mail and the internet, and

Whereas, it is imperative that host schools have as much time as possible to prepare for the regional conference, and

Whereas, it is unrealistic to have every member school question and vote on a bid over e-mail, and

Whereas, the amendment below is the policy that NCCs have voted to allow the SEC to do multiple times over the last year,

Be it enacted that Article II, Section 6 of the SAACURH Constitution be amended to read:

Section 6: In the event that no member school or group of member schools bids for the regional conference or the school or group had received a vote of no confidence, the following procedure will be followed:

- A. All member schools, both those attending the conference and those not in attendance will be notified of the occurrence and encouraged to bid for the conference by the Regional Director.
B. Those wishing to bid shall do so by preparing a formal bid and submitting it to the Regional Director in a manner specified by the Regional Director.
C. All bids shall be due no earlier than 30 days following the close of the regional conference.
D. The SEC shall discuss the bids and select, by a majority vote, a host for the next Regional Conference within 10 days of receiving bids.
E. The Regional Director shall notify all members schools of the SEC decision immediately.
F. Those wishing to bid will do so by preparing a formal bid and mailing it to the Regional Director and Regional Advisor with enough copies for each member school. The Regional Director will send out bids within two (2) weeks of the deadline.
G. All bids must be postmarked no later than midnight of the last day of the first full month following the conference.
H. Each member school shall evaluate the bid(s) and mail to the Regional Director their choice for the next conference by the last day of the month in which they receive bids.
I. The Regional Director shall compile the decisions by the member schools and notify all member schools of the decision immediately.
